

# Transferability of Courses to State Universities

---

Courses that are transferable to California State University (CSU) and/or to University of California (UC) are identified at the end of the course description as "Transfer: CSU" for transferable courses to California State University, and "Transfer: UC" for transferable courses to University of California. Transferable courses to both CSU and UC campuses are identified as "Transfer: CSU, UC". A complete list of CSU and UC transferable courses are here: <https://catalog.canadacollege.edu/current/ge-worksheets/index.php>

Courses that fulfill the CSU General Education breadth and/or UC Intersegmental General Education Transfer Curriculum (IGETC) patterns are also identified by adding "attributes" after the transferability status of the course. For example, HIST 100 is identified as "Transfer: CSU (C2), UC (IGETC 3B)". The worksheets for both CSU General Education breadth and/or UC Intersegmental General Education Transfer Curriculum (IGETC) patterns are outlined here: <https://catalog.canadacollege.edu/current/ge-worksheets/index.php>

A list of transferable courses to CSU and UC campuses is also available at [www.assist.org](http://www.assist.org).

Please consult with a counselor for up-to-date articulation information, and how the courses may apply to transfer lower division General Education and major preparation course requirements. Students should also consult with a counselor about the transferability of courses for transfer to private and out-of-state universities.
