

FASH 170 French Pattern Drafting

FASH 170 FRENCH PATTERN DRAFTING

Learn the French couture method for drafting a master pattern. The master pattern, known as the moulage, is a form-fitting pattern that duplicates the figure exactly with no ease added. It is used to create the sloper and basic sleeve. These are used to design many different garment styles. *Grade Option (Letter Grade or Pass/No Pass). Degree Credit.*

Units: 2

Hours/semester: 32-36 Lecture; 64-72 Homework

Recommended: Basic sewing skills

Transfer Credit: CSU
