

# FASH 172 Bustier

---

**FASH 172 BUSTIER**

Introduction to the proper pattern work and construction techniques to create a well-fitting, well-performing strapless bodice (bustier), which can be adapted to evening wear or bridal wear. As these garments must fit closely, a well-fitting sloper, or the moulage from the French pattern drafting course is recommended. *Grade Option (Letter Grade or Pass/No Pass). Degree Credit.*
