

Intersegmental General Education Transfer Curriculum (IGETC) 2024-2025

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that fulfills the lower-division general education requirements for most University of California (UC) and all California State University (CSU) campuses. IGETC is also accepted by some private/independent or out-of-state universities. There are instances when a Cañada course is approved for IGETC but the same course at CSM or Skyline is NOT approved for IGETC (or vice versa). Check with a Counselor for complete information.

Intersegmental General Education Transfer Curriculum (IGETC) 2024-2025 (Continued)

The minimum admission requirements to UC campuses as an upper-division transfer student are:

- Successful completion of at least 60 UC transferable units that include courses in: Area 1A, 1B, (1C for CSU transfer only), Area 2 and four transferable college courses chosen from at least two of the following subject areas – Arts/Humanities, Social/Behavioral Sciences, Physical/ Biological Sciences and Ethnic Studies.
- Minimum GPA for UC transfer is 2.4 in UC transferable courses (2.8 GPA if you are a non-CA resident). However most UC campuses and majors require a significantly higher GPA. For more information, visit the UC web site at <https://admission.universityofcalifornia.edu/transfer>
- Some courses may be listed in more than one area; however, a course can only be used to satisfy one Area, except for Area 6 (LOTE).
- AP exam credit may be listed in more than one area; however, it can be used to satisfy only one area.
- All courses in IGETC must be completed with a grade of C or higher.

Notes:

- Completion of IGETC is not an admission requirement for a CSU or UC campus; however, it may be required for some programs at UC campuses. Students transferring to UC campuses may also opt to complete UC campus specific breadth requirements. Please consult with a counselor.
- Upon full completion of IGETC, students may request a certification indicating completion of lower division general education courses for UC or any of the 23 CSU campuses. Partial Certification is also available; please consult with a counselor.
- A full certification of completion of all IGETC requirements permits students to transfer from a community college to the CSU or the UC system without the need, after transfer, to take additional lower-division general education courses to satisfy individual campus general education requirements. Many independent colleges accept all or part of IGETC in lieu of their specific general education course patterns.
- Certification will be completed only before transferring. Certification will NOT be processed after students have transferred and are enrolled at a CSU or UC campus.
- Students must request the certification with their final transcript or once courses are complete, on-line via WebSMART.
