The Interior Design Department offers courses designed for individuals interested in preparing for careers in the professional fields of interior design. Included in the program are a transfer program, an AS degree, and three certificate programs. The Kitchen & Bath Design Certificate is affiliated with the NKBA (National Kitchen & Bath Association). The AS degree and Interior Design Certificate of Achievement meet the minimum education qualifying requirements for ASID (American Society of Interior Designers) allied membership. The Home Staging Certificate of Achievement provides students with the basics of Home Staging business including in site-training with a Professional Home Stager. Cañada College is the only community college in the Bay Area offering this certificate. These, as well as the Kitchen & Bath Design Certificate fulfill the educational requirement for the IDEX exam to become a Certified Interior Designer (CID) in California. Completion of the Kitchen and Bath Design Certificate prepares students for the AKBD (Associate Kitchen & Bath Design) exam, and along with sufficient work experience in the field, the CKD (Certified Kitchen Designer) and the CBD (Certified Bath Designer) exams. If a student has an earned Bachelor's Degree, he/she needs to see a counselor regarding courses completed during the first two years of college that may be substituted for core requirement courses.
