The Career Center assists students in developing and carrying out both short and long-term education, employment and career goals. Career Services are open to anyone who needs assistance with making career decisions. Educational and occupational information is also available to explore at a student's own pace. Our resource materials include online systems with comprehensive demographic information and assessment tools. In addition, we also offer online career information that describes duties, responsibilities, future career trends, and salary ranges.

Further, career classes, offered by the Counseling Department, assist students to explore career options. These courses are Career 137 and 430. We also assist students and recent graduates with internships, Cooperative Education, workshops and personalized appointments in resume writing, interview preparation, and job search techniques.

Students are invited to visit the Career Center for further information.
