

## CSU and UC Transfer Courses

---

The following web pages in this section are a list of courses designated as transferable toward baccalaureate degree credit at all campuses of the **California State University** and **University of California** systems.

Always check with the Counseling Center for the most up-to-date information. Also, use ASSIST ([www.assist.org](http://www.assist.org)) to access CSU and UC transferable course lists, IGETC lists, CSU General Education Breadth Requirements lists, course-to-course equivalency information, and major course requirement information. The ASSIST website is recognized by the California Community Colleges, the California State University system, and the University of California system as the official database of articulation information. It is the most accurate and current source of information and is updated annually as curriculum changes and colleges and universities make new articulation agreements.
